

FLEX 20 Accommodation Modules

Description

Centurion Accommodation & Modular has a range of 1, 2, 4 and 6-Man A60 Offshore Accommodation Modules. These can be hired as single units or as a complete complex solution. Internal fit outs can be designed to meet client requirements and can also include bathroom facilities.

All our Accommodation Modules meet the necessary safety requirements for offshore use and come as a standard size of ISO 20ft. However, we can provide other size solutions where required. These modules provide a high quality for you and your clients.
